

A vibrant tropical beach scene featuring a classic red British telephone booth as the central subject. The booth is situated on a sandy shore, flanked by several tall palm trees with lush green fronds. In the background, the turquoise ocean meets a clear blue sky with scattered white clouds. A few sailboats are visible on the water, and a small coastal town with buildings and a hillside is visible in the distance. The overall atmosphere is bright and sunny.

# What's in store?

With Virgin Atlantic Flightstore

This month, we have a destination spotlight on both the USA and Antigua, a quintessential Caribbean Island with perfect coves lapped by clear waters. We also focus on two exciting new routes from Virgin Atlantic, plus insightful information on our Flights booking system.

# Say 'aane' to **Accra** and ahlan to **Riyadh!**

Big news is taking flight! Virgin Atlantic's 2025 summer schedule is hotting up with Riyadh and Accra joining Toronto in their expanding route network.

These new daily direct routes from London Heathrow offer even more ways to blend business with leisure and explore diverse cultures.

## Accra

Ghana's capital Accra is waiting to be explored by your clients! The route will give customers more choice to reconnect with friends, families and business once again, with an elevated Premium experience.

Daily flights will go on sale on 12 September 2024, with the first flight heading to this destination on 1 May 2025.

## Riyadh

Not only can you now fly your clients to a whole new city with Virgin Atlantic, but a new country too! From futuristic views to traditional hospitality to world-class restaurants, there's always something new to experience in Riyadh, the glittering capital and main financial hub of Saudi Arabia.

Daily flights will go on sale on 12 September 2024, with the first flight heading to this desert oasis on 30 March 2025.

Destination spotlight: Antigua

# Fantastic flights to the **Caribbean** dream

## Sea, sailboats, and serenity await in Antigua

Whatever your client's vibe, they'll find it in this picturesque corner of the Caribbean. With 365 beaches – one for every day of the year – along with postcard-perfect panoramas and an abundance of history, the holiday hotspot of Antigua couldn't be better for the soul.

The best weather starts from mid-December through to May meaning the island is a great choice for your clients to enjoy new year getaways, spring escapes and Easter breaks!

# Our fares. Your systems. Endless possibilities.

**Tired of navigating multiple systems to book flights?**

The Travel Innovation Group has a full set of API's - named InfiniteAPI - that complete the full booking and ticketing flow.

Tailor your booking experience with InfiniteAPI. Our unique system brings together all available, live airfares from Virgin Atlantic Flightstore directly into your own back-office system or customer website, allowing you to hold an unrivalled variety of Virgin Atlantic and Delta Air Lines flights with no deposits.

InfiniteAPI has a range of customisable features and automations to streamline your processes and increase efficiency. For example, you'll have the option to find live upsell fares to upper cabin classes and get further information about a specified flight, including aircraft type and terminal information.

If you need any guidance, through API you'll also have access to dedicated customer support including free out-of-hours assistance.

Use InfiniteAPI to make your system more efficient with Virgin Atlantic Flightstore's best nett fares.
